REPORT ON HIV AWARENESS PROGRAMME – 08.12.2025

The NSS and RRC units of our college organized an HIV/AIDS Awareness Programme on 08.12.2025 with the objective of educating students about HIV transmission, prevention, stigma reduction, and the importance of regular health check-ups. The program aimed to empower youth with accurate information and encourage responsible behavior.

The event was inaugurated by our college Vice Principal Dr. S. MURUGESAN, who emphasized the role of young citizens in building a healthy society. The program was organized by Mr.D.THANGAMANI, Lecturer in Physics / NSS Co- Ordinator (Unit 1) and Mr.M.VADIVEL, Lecturer in Mathematics/ NSS Co- Ordinator (Unit 2). A team of medical professionals and counsellors from Primary Health Centre, Nangavalli were invited as resource persons.

They delivered a detailed presentation on:

- What is HIV and how it affects the immune system.
- Difference between HIV and AIDS.
- Myths vs. facts about HIV transmission.
- Importance of preventive measures, including safe practices and awareness.
- Availability of free testing and counselling centers.

The HIV/AIDS Awareness Programme organized by the NSS and RRC units was highly informative and beneficial. It successfully achieved its objective of spreading awareness among students and promoting a healthy and informed college community.
