REPORT ON STRAY DOG AWARENESS PROGRAMME– 12.12.2025

An awareness programme on Stray Dog Safety was organized for the benefit of students to ensure awareness and preparedness regarding safety around stray dogs. The programme was conducted by Nodal Officer Mr. M. VADIVEL, Lecturer in Mathematics/ NSS Co- Ordinator, with active participation from students and staff members.

The programme was presided over by the Principal Dr. M. VARATHAGURU and Vice Principal Dr. S. MURUGESAN, who addressed the gathering and highlighted the importance of student safety, compassion towards animals, and responsible behavior in public spaces. In their speeches, they emphasized the need to understand stray dog behavior, avoid panic situations, and follow safety guidelines to prevent dog-related incidents on and around the campus.

Mr. M. VADIVEL delivered the key address, explaining the causes of stray dog-related issues, safe practices to be followed by students, and the importance of awareness rather than fear. He also stressed humane approaches and the role of students in maintaining a safe and harmonious environment.

The programme was informative and interactive, creating awareness among students about precautionary measures and safety practices. Overall, the programme was successful in enhancing students' knowledge and confidence in dealing with stray dog-related situations, thereby contributing to a safer campus environment.

The programme concluded with active participation from students and staff. The awareness session was informative and successful in instilling a sense of empathy and social responsibility towards stray dogs among the students.
